

# Be a Safety Star

## 2018 POSTER COMPETITION CLASS ENTRY FORM

**WIN a \$1,000 donation to your school P&C Association.**

**This year a winner will be chosen from each of these three primary school categories; K-2, 3-4 and 5-6.**

**1. Simply have your students select one of the following safety messages:**

- Stay at least 8 metres away from fallen powerlines
- Keep away from overhead powerlines
- Use electrical appliances safely and correctly
- Never play on electrical equipment or trees near powerlines
- Keep electrical appliances away from water.

**2. Design a poster**

- Ask your students to choose a safety message and design a poster using the template on the USB provided in the resource pack or on our website [essentialenergy.com.au/postercomp](http://essentialenergy.com.au/postercomp).
- Remind your students to fill out their name, school and year at the bottom of the poster template.

**3. Submit your entry**

- Fill out this class entry form (one per class) including the 25 words or less description
- Email a colour scan of the posters and completed entry form to:

**postercomp@essentialenergy.com.au** or

- Mail the posters and completed entry form to:

**Essential Energy  
"Be a Safety Star" Poster Comp  
PO Box 5730, Port Macquarie NSW 2444**

Entries close Friday, 28 September 2018. Each student will receive a certificate and small gift for entering.

**For full terms and conditions visit [essentialenergy.com.au/postercomp](http://essentialenergy.com.au/postercomp)**
