OTHER DETAILS: Australia's most dangerous venomous wildlife, e.g. snakes, spiders, and marine creatures are discussed in turn, including classification. Interesting facts, curious habits and little known 'secrets' about native Australian creatures will be explored. Students learn how to avoid bites and stings and the First Aid measures taken for each bite and sting will be demonstrated. The students will be engaged in viewing creatures and presented with facts. More details can be found at www.deadlyaustralians.com.au/

If the excursion organisation is varied or cancelled you will be notified and any appropriate refunds made. If a student cancels after final arrangements have been made, it may not be possible to refund money even if cancellation is due to illness.
