OTHER DETAILS: The Aspirations Program offers students the opportunity to work with staff from the Australian Catholic University (ACU), students from other Western Region Schools and to experience the facilities at Hennessy Catholic College. All Year 8 students have been invited to participate. Students are to wear full school uniform and will need to take recess and lunch. ACU are providing experts in the field to present to the students in a dynamic, hands on learning experience and will work with students to create a project to be installed at Sacred Heart. Due to the number of students, we are requesting parent assistance to drive a car load to Young and back to school if possible. This could be the same person or shared amongst several people throughout the dates. Please contact Janet Cartwright if you are able to assist. Teachers accompanying the students will be Tim Mahon and Debbie Roxburgh.

If the excursion organisation is varied or cancelled you will be notified and any appropriate refunds made. If a student cancels after final arrangements have been made, it may not be possible to refund money even if cancellation is due to illness.
