### Infants Learn-to-Swim Program

Sacred Heart will be participating in a **9 lesson Learn-to-Swim Program** during Weeks 9 and 10 of Term 3. The program is ideal for young students who are only just learning to swim and swimmers who need further work on stroke development and survival skills. The program will be run by qualified instructors from the Shire Council, while the classroom teachers observe and supervise from the pool deck.

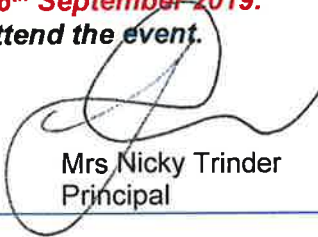

On the first Monday, all students will be assessed for their water confidence and swimming ability. For the remaining lessons students will be placed in ability groups to allow the program to cater for each child's swimming development. All Infants students are encouraged to participate in this program. The lessons are conducted during school time and are fully supervised by a classroom teacher.
