RE: Lent and the Soup Kitchen

Dear Parents,

Our Student Leaders play an active role in decision making and organising community events. In response to the recent break-in at the Cootamundra Soup Kitchen which saw all their supplies stolen, students have identified this, in addition to our support of Mercy Works, as an area they would like to focus on for our act of almsgiving for the Lent Season.

In the spirit of giving to those in need, particularly in the local community, we are asking families to support the students in this call. If you are able to do so, please consider making a donation of long lasting supplies (canned goods, pasta, rice and packaged goods).

A shopping trolley placed in our office foyer is available to place these donated goods and will be delivered to the soup kitchen in Week 11.

Thank you for your support and generosity.
