Dear Parents/Guardians,

I would like to extend a warm invitation to you and your family to come along to our Open Day on Wednesday 9th March between 2pm and 6pm. Please come to the Front Office in Morris St upon arrival and our very friendly and capable student guides will be available to assist you.

The Open Day will provide an opportunity to see for yourself our classrooms, resources and playground areas with lessons taking place for the final session of the day until 3.15pm. Students will be available to guide you around the school, explain the layout and explain how our friendly community provides educational excellence as a Kindergarten to Year 10 Central School. We hope this will be helpful in allowing you to make an informed decision regarding the education of your child/ren.

The Open Day will provide an excellent opportunity for you to ask any questions you have about education in our Catholic school.

We will have displays and information which outline our comprehensive curriculum and extracurricular programs as well as a uniform display. Please remember that we also offer high quality, second hand uniforms through our very reasonably priced Clothing Pool.

There will be interactive workshops for the children, games on the green patch, a jumping castle and BBQ dinner available for purchase at cost. The canteen will be open to sample its delicious food and snacks, and our fabulous Parents and Friends will have complementary cakes, biscuits and other goodies along with a cuppa on offer. Our parent welcoming committee will also be available to have a chat should you have any questions you would like answered from a parent perspective.

Our students go on to do very well academically, socially and spiritually in Year 11 and 12 and I am very proud of the quality education they receive at Sacred Heart which prepares them for the rigours of further study and work. **Sacred Heart students often gain student leadership roles in Years 11 and 12 and ATARs which lead to preferred post school study options.** We have a close association with Hennessy Catholic College in Young and this provides an excellent ongoing Pathway for senior Catholic education. Students are able to catch a direct bus from our front gate.

We hope that you can join us for a fun, family day out to explore the options and possibilities that are available for your child/ren.

I look forward to meeting you on the day. If you have any questions, please do not hesitate to contact me on 6942 2612.

Yours faithfully,

Mrs Janet Cartwright
Principal
