Faith & Knowledge

29th January 2018

~Secondary Representative Pathways~

Dear Parents,

Each year our students have the opportunity of participating in trials for representative sport. For swimming, athletics and cross country trials the first level is our school carnivals. In regards to other sports the students who display ***talent and high skill development*** in a certain sport are encouraged to attend trial days or individually nominate for those sports.

Further information on an extensive range of sports is located on the CCC website. www.csss.nsw.edu.au

Please take the time to look over the range of sports available for representative level and discuss them with your child.

Please take into consideration the points below before nominating any sport:

- Trials are held in different parts of the diocese or state.
- Trials cost range from \$15:00 - \$25:00 nomination fee.
- **It is the responsibility of parents to provide transport and supervision for their child at the trials.**
- Most trials are either diocesan or state based and therefore open to all secondary students in the Archdiocese or State.
- Only students of high skill level and talent progress to the next level.

If you and your child wish to nominate and receive further information on these trials please complete the form below and return it to school by Friday 2nd February.

Yours in Sport

Mrs Patrece Maxwell
Sports Coordinator

Mrs Janet Cartwright
Principal

Please return to school

~Secondary Representative Pathways~

I wish for _____ to receive further information on the sports below

- | | | | | | |
