Stage Two Literacy Support

Dear Parents/Guardians,

Thank you for your support of our learning over the past three terms. We appreciate your presence during Writing Celebrations, literacy activities, assemblies and special events.

This term for Literacy, Stage 2 students are working on an ongoing inquiry task that focuses on poetry. They are building their digital technology skills through working with computers in the IT lab.

Due to the nature of the task, our Stage will not require assistance during Literacy this term. We are very grateful for the support you have offered and for the value that you brought to our classroom. We hope to continue to see you throughout the term.

Thank you for your ongoing support.

Kind regards,
Stage 2 Teachers

Miss Norrie, Ms Van Kerk Oerle
Mrs Hunt & Mrs Gay
