

Sacred Heart Central School

Faith & Knowledge

3 Sept 2018

Dear Parents of Stage 3 students,

Every two years the secondary students produce a School Musical for the Cootamundra community. As part of this production Stage 3 students are included in a large chorus number. This year the Year 5 & 6 students will be part of the scene including the song "We don't want to sing this Love Song" early in the first half of the show. All costumes are provided and students are only required on the night for a short time. The students perform three night shows and three matinees (one of which is a dress rehearsal). To ease the commitment and expectations on the students will be allocated one night and one matinee performance. However, if the night allocated does not suit because of family, work commitments or other activities we are happy to shuffle the students to a night that does suit. Please nominate if you require your child to be allocated to a specific night.

Please do not hesitate to contact me for any further information. There are no practices for Stage 3 outside school time and these are minimal (they are part of their Drama and Music requirements). All other details will be sent home closer to the dates (Night performances – Sept 27,28,29 - note this final performance is on the first day of holidays and the Long Weekend).

Thank you in anticipation of another successful creative venture for Sacred Heart.

Yours sincerely
