

Sacred Heart Central School

Faith & Knowledge

Friday 2nd February 2018

Stage One Homework

Dear Parents,

Weekly Sound – OPTIONAL

1. A new sound card will be sent home each week. We suggest collecting these cards throughout the year and practicing them frequently, perhaps each night.

***Rehearsal may include:** flashing or reading the card, identifying words in which the sound is used or writing words which use the sound. The cards may also be used to facilitate writing tasks and discussion at home.*

2. A task relevant to the focus sound/diagraph will also be sent home most weeks. These are not compulsory, rather an opportunity for your child to explore the sounds we are focusing on in their own time.

Sight Words

Sight words will be sent home based on individual student need. We suggest practicing these frequently, perhaps each night. It is important that these are embedded in memory and are able to be recalled instantly, numerous times, before working on the following collection.

Maths

Each student will have their own Maths Mentals book. Please complete these on a weekly basis and return each Friday. The guidelines are glued in the front of the Maths Mentals book.

Science, Health, History, Geography

Subject related tasks may be sent home throughout the term.

These will be directly related to class work and will be used in our studies.

If you have any questions, please do not hesitate to make contact with your class teacher. We look forward to working with you throughout 2018.

Kind regards
