12th February 2018

-CHANGE OF DATE-

Year 10 Essential Information Meeting

Dear Parents,

Due to the request for Year 10 to attend the Hennessy BBQ on **Monday 19th of February**, we have elected to change the date of the Year 10 Information session to Monday- to run before the BBQ.

As students move into a critical point in their secondary education it is vital that we gather to run through some very important information pertaining to their Year 10 studies, their senior year at Sacred Heart and their future pathways.

Sacred Heart will be holding a Year 10 Essential Information session at 6pm on **Monday the 19th** of February for Parents and Students in Year 10.

This session is aimed at providing information and guidance to both Year 10 students and their parents about the processes and requirements of attaining a RoSA but will also address and provide important paperwork for Work Experience as well as be the forum to learn about the Senior jersey/jackets and STUDY in 2018.

Students in Year 10 are particularly encouraged to attend the session as part of their growing responsibility for their future pathways.

If you are unable to make this date and you do have questions or concerns regarding the RoSA please contact Erryn Marsay at erryn.marsay@cg.catholic.edu.au or by phone.

Regards

Ms Erryn Marsay
Secondary Coordinator

Mrs Janet Cartwright
Principal
