

Sacred Heart Central School

Faith & Knowledge

4th September, 2018

Dear Parents,

Already the year is slipping away and the epic excursion to Narooma is fast approaching. Many students have wished to reduce costs through a fundraiser. The activity proposed by the students will be a lamington drive.

Students need to collect and record orders using the attached form. Students can deposit funds raised with the front office, using the school envelope system. All orders and money must be returned to the school by Friday 28th September.

In order to maximise the funds raised, students and parents are asked to volunteer for a shift icing and packaging the lamingtons on the afternoon and evening of Thursday 18th October. If you are able to provide assistance, even if only for a short amount of time, please let me know as your help will be greatly appreciated.

Lamington orders will be available for collection from the school on Friday 19th October.

It promises to be a fantastic trip and has always proven to be a highlight of our students' time at Sacred Heart.

Please contact me if you have any queries.

Mrs Lisa Buchanan
Year 8 Pastoral Care Advisor

Mrs Nicky Trinder
Assistant Principal
