

Sacred Heart Central School

Faith & Knowledge

28 June 2017

Dear Parents,

~Lamington Drive~

While we have been busily fundraising through our weekly hot chocolate sales, we are preparing the major fundraising event for the Year 8 Narooma excursion. There will be a lamington drive held over the holidays and into next term. The students will be asked to sell lamingtons, in lots of a dozen, over the next month. This will enable us to accurately order the ingredients required to make the lamingtons.

Students need to collect and record orders using the attached form. Students can deposit funds raised with the front office, using the school envelope system. All orders and money must be returned to the school by Friday 28th July.

In order to maximise the funds raised, students and parents are asked to volunteer for a shift icing and packaging the lamingtons. If you are able to provide assistance, even if only for a short amount of time please let me know as your help will be greatly appreciated. More information on the lamington production afternoon/evening will be distributed after the holidays.

We are looking at making the lamingtons towards the end of Week 6, for delivery that week.

This fund raising activity is not compulsory, but it is an opportunity for the students to reduce the cost of the excursion. Narooma promises to be a fantastic trip and has always proven to be one of the highlights of our students' time at Sacred Heart, and fund raising ventures like this make the experience much more affordable for students.

The profits will be shared amongst those students that actively participate in this venture.

If there are any concerns or questions please feel free to contact me at the school.

Yours Sincerely

Ms Erryn Marsay
Year 8 Mentor

Mrs Janet Cartwright
Principal

Please indicate below that you are willing to assist with preparing lamingtons and wish to be contacted when suitable dates are confirmed.

I would like to assist in preparing/packing lamingtons

Signed,.....
